Re: Public Records Act Request – Correction Facilities Communication Services

Dear Ms. Lipton:

I am writing to finalize the County of Madera's (the "County's") response to your Public Records Act request of August 16, 2018.

The County previously responded to your records request on October 4, 2018 and provided you with some responsive records. The County advised you on October 15th it had located additional records, and requested its reasonable copy costs for all responsive records. On November 14, 2018 we sent another letter reminding to follow-up with you regarding the additional records and the copy costs.

As of today's date, we have not received your payment for the copying costs. Therefore, we will assume you are not interested in the additional records and we will close our file on this matter.

Sincerely,

A handwritten signature in purple ink that reads "Lee Burdick".
